PROFILE

Recent Master's graduate in Information Systems and Technology, specializing in Data Analytics and Visualization. Skilled in Python, SQL, and BI tools, with hands-on experience integrating knowledge graphs (RDF datasets) into traditional BI systems. Collaborated on a consultancy project to enhance data insights for decision-making. Proven leadership and teamwork skills, demonstrated through multiple promotions and roles.

EXPERIENCE

CURTIN STUDENT GUILD COUNCILOR AND SUBSIDIARY COMMITTEE MEMBER, CURTIN UNIVERSITY

MARCH 2023 – NOV 2023

Perth, WA

Served as a Guild Councilor and Committee Member, representing students and facilitating communication with the Guild. Worked with Guild leaders to drive decisions, run campaigns, and support student welfare, education, and equity initiatives.

SUPERVISOR, SKYCITY CASINO

MAY 2021 – JUN 2022

Adelaide, SA

Promoted to supervisor within 3 months at a 5-star hotel restaurant, supporting inventory management, staff attendance tracking, and store operations.

IMPORT OPERATOR, UNITED TRANSPORT INC

SEP 2016– JUN 2020

Seoul, South Korea

Manage bills of lading, invoicing, and customs clearance. Oversee transportation schedules, communicate with suppliers and clients, and track import costs while negotiating rates.
